Veterans in Crisis is a 501(c)3 non-profit organization that aims to address veteran needs across 14 counties in Northern Michigan.

A Community-Based Effort to Help Veterans in Northern Michigan

Veterans In Crisis is a veteran-led volunteer organization that rapidly serves any veteran who served their country honorably, from the ongoing Middle East conflict era to those who served during the earlier Korean and Vietnam periods.

Since 2016 we have successfully used a “hand-up” veteran to veteran approach in helping Northern Michigan veterans who have unforeseen needs — whether it's a wheelchair ramp that needs construction or a medical issue that a needy veteran cannot financially absorb right now.

Funds raised go directly to support Veterans in need. We follow through to ensure the situation is handled. Veterans in Crisis funding comes through donations, our annual golf outing at LochenHeath Golf Club, and the generosity of many local and Northern Michigan area businesses and media sponsors.

We are proud of our all volunteer Board of Directors, who are hands-on in bringing diverse skills and experience to make a positive difference for many Northern Michigan Veterans in need. Our Board includes business leaders, veterans, lawyers and strong advocates for serving veterans and their families in need.
